

Integrating Faith, Love and Learning

## **Community Service Form**

All high school students at ACA have the privilege of participating in approved community service. A minimum of 25 hours per year for a total of 100 hours over four years allows students to be a light in their community as they share the love of Christ in service to others.

Please complete and return this form to the Guidance Coordinator no later than May 1 of the current school year. Keep in mind the following criteria for community service work:

- 1. Service is to be performed on a volunteer basis, without compensation.
- 2. Service performed for a family member may not be applied towards community service hours.
- 3. Service must be performed outside of the school day.
