

ACA Summer Reading: 4th Grade

Are you ready for a new and refreshing approach to engage in summer reading?

ACA is excited to announce our summer reading program! Our desire for our 1st-5th grade classes is to have your child read in a fun and exciting way. Parents, we encourage you to read along with your child, ask them comprehension questions, and review the story elements, such as character, setting, problem, and solution. Refer to the **Parental Prompt** page for suggestions on how to assist them as they exercise learned comprehension skills. Our goal is for **students to have fun reading** while exploring all the places they can go in the world of literature!

Students must choose at least one book from the list on the right, write a report using the form attached, and submit on the first day of school for a grade.

In addition, please... see the *Summer Reading Challenge* for a list of rewards and incentives for going above and beyond!

Thank you for supporting your student's excitement about reading throughout the summer and the reading program at ACA.

Please see reverse side for a
