DISCIPLESHIP

Elementary Chapel

Our speaker today was one of our 4th grade teachers, Mr. Bates. He spoke to us about Psalm 139:14. He explained what it means to be fearfully and wonderfully made. Fearfully means with respect, not fear. We can always trust in Him, and not be afraid. He also explained that we are each created uniquely, and wonderfully. We don't need to compare ourselves to others, because he created each of us to be unique and special. He also stressed that we are made in His image. We are precious to God. He carefully planned each of our lives, and we should seek to be all that He created us to be. He closed by reminding us how much God loves us, and telling us that God has a special plan for each of us.

Middle and High School Chapel

Middle school and high school students were both blessed and challenged in chapel today. We had the privilege of hearing from ACA's James Fludd, who shared his story with us. He shared about making unwise choices during younger years, and the impact those decisions had on his life. His testimony has led him to a passion to minister to others who have walked in his shoes. He was excited to proclaim that Jesus is the Lord of his life and that Jesus came to forgive. His time was wrapped up by sharing that doing something for one person, that they cannot do for themselves, is the story of Jesus and what He did for us. The students were challenged to show God's love to others next week as they reach out to those in our local community during Spiritual Challenge Week.

Mexico Missions Trip

From February 10-17, ACA sent an amazing group of juniors and seniors to Ensenada, Mexico on a life-changing missions trip. The impact this experience had on our students cannot adequately be put into words! We built a house for a family with five children, who had been living in extreme poverty. Our students were so excited to love and serve and give their ALL! They truly became the hands and feet of Jesus, putting their faith into action as they diligently worked all week. We are so proud of our junior and senior class missionaries!
