DISCIPLESHIP

Elementary Chapel

Our speaker this week was Mrs. Ibejunjo, our Computer teacher. She spoke to us about her miracle from God. She shared that she was born with a medical condition, and that God healed her. She spoke about Paul, and the miracle that God performed in saving him. In 1 Corinthians 9:19-23, we see Paul's heart for others. He decided to be kind, friendly and compassionate to everyone so that they could all see the miracle that God performed in his life. Mrs. Ibejunjo challenged us to show the miracle of God in us every day by showing kindness and love to others.

Middle and High School Small Groups

With Good Friday and Easter just around the corner, that was the focus for middle and high school students during small groups this week. Students were not only encouraged to go to church this weekend, but to have the courage to invite someone they know who needs to hear about Jesus! Small groups have been such a great time for the students to bond with their classmates and grow in their spiritual walk. Take a moment and ask your child about their small group!

ACADEMICS

Standardized testing will be taking place next week, April 3-6, for all students in Grades K5-11. Elementary and Middle School will be testing Tuesday through Friday. High School (9th-11th grades) will test Thursday and Friday only. Please be sure your student gets a good night's rest, eats a healthy breakfast, and is in their classroom by 8:00am, prepared with sharpened, No.2 pencils, a calculator (secondary students only), as well as a healthy snack.
