DISCIPLESHIP

Middle and High School Chapel

Middle and high school students were both blessed and challenged in chapel today. They had the privilege of hearing from Pastor Joel McDonald from Family Church, who shared his story with us. He spoke about making unwise choices during younger years, and the impact those decisions had on his life. Pastor Joel encouraged us to delight in the Lord as we follow Him. He shared from Luke 15 which tells the story of the "Prodigal son". His time was wrapped up by sharing that even when we are away from God, God is waiting for us with open arms willing to restore, forgive and heal us. The students were challenged to live a life closer to God, understanding that God is the only one that can give us "fullness of joy". Psalms 16:11 says: "You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forever-more."

ACADEMICS

Standardized testing is coming up! April 3-6, all students in Grades K5-11 will be taking the Stanford 10 test. This test provides us with valuable information in helping us identify areas of strength, as well as areas for improvement for your child. Please avoid scheduling any appointments, if possible, during this time. We want to be sure each student is present.

GUIDANCE

Thank you, 11th grade parents and students, for attending Rising Senior night! We're excited to partner with you and your students as they prepare for what's ahead. If you have questions about preparing for the SAT/ACT, options after graduation, or you would like to set up a meeting to create a personalized "College Readiness" timeline, contact Ms. Schulte, our Guidance Coordinator.

Math & Science Institute | Summer 2018

Location: Palm Beach State College

This eight-week program runs from June 5 – August 2, offering world-class opportunities for high school and PBSC students with special aptitude in mathematics and science. Learn from outstanding College faculty, collaborating with local industry leaders in life sciences, biotechnology, physics, aerospace engineering, energy and environmental science. The state-of-the-art Bio Science Technology Complex at the PBSC Gardens campus will be your learning laboratory.

ARTS

DRAMA

Happy Birthday, Dr. Seuss!

Students are discovering new and interesting "thinks" about the show every day through their characters, songs and dances for Seussical Jr! This is already shaping into a delightful production.

Any parents interested in volunteering their resources to the show (providing snacks for rehearsal, skills in sewing, carpentry, paint, etc.) please contact Ms. Schulte!

Are you interested in working backstage for our production of Seussical JR.?

Please contact Ms. Schulte in the Guidance Office at (561) 686-8081 ext. 3450

or email jschulte@atlanticchristianacademy.org

We can't wait to present this amazing show on May 11 and 12!

BAND

On Monday, April 30 the band will participate in a Disney workshop and visit the Magic Kingdom! All of the students have been preparing, and it's not too late to send in your permissions slip to attend.

Shark Band Parents, we need every student to attend for a great workshop!
