DISCIPLESHIP

Elementary Chapel

Our speaker this week was Pastor Charlton Holt from Christ Fellowship Church. He shared with us about how creative our God is! He spoke about Legos, and how they were created for a purpose - to build with. He reminded us that we are created for a purpose too. Our purpose is to love and obey God and our parents. Legos are meant to fit together. We are also meant to fit together. We all fit into the Kingdom of God. We are like Legos - we work better when we stick together! Legos also work better in the right hands. We should all be careful to make sure that we put ourselves in the hands of God! He has great plans for us!

Middle and High School Chapel

Today in middle school chapel, we kicked off our upcoming Middle School Spirit Day with some fun and competitive games. The excitement was at an all time high! The students cheered for their peers as they began the competition for the winning title this 2017-2018 school year. In high school we also had some fun as we celebrated the senior class during their last chapel with the underclassmen. Pastor Ramos wrapped up the time for middle and high school with a message from 2 Timothy 1:7, "For God has not given us a spirit of fear, but of power and of love and of a sound mind." He taught that fear puts boundaries in between people, but the Spirit of God breaks down those boundaries. God loves us and teaches us to love with a love that has no boundaries! Love your neighbor as yourself! Pastor Ramos ended as he prayed for the students, asking God to help us all to love one another as Jesus loves us.

Middle School Spirit Day is Tuesday, May 22!

Parents of middle school students: Middle School Spirit Day is next week! It will take place on Tuesday, May 22. We have a fun-filled day of events planned for your students and can't wait to celebrate a terrific 2017-2018 school year with them!

We will not be leaving the school campus, and our afternoon festivities include all kinds of water fun, including competitive water games, water balloons, and giant water slides. Please allow your student to come to school wearing their swimsuit with a spirit shirt and shorts that are no shorter than 4" above their knee. They will also need to bring sunscreen, a hat, bottled water, and a towel. Please send them with a complete change of clothes so they will be dry for after school pick-up. Lunch will be as usual here on campus, so they may either bring a lunch from home or purchase their lunch from the cafeteria. We will be ending the day with an ice cream party, so if there are any health concerns, please let us know.

If you have any specific questions or concerns, please e-mail Jacque Rasku at

jrasku@atlanticchristianacademy.org. Thank you so much - we are looking forward to tons of FUN!
